

School Accountability Report Card Reported for School Year 2009-10 Published During 2010-11

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2009-10)

This section provides information about the school, its programs and its goals.

The mission of Citrus Elementary School is to provide a safe, positive environment in which individual students have the opportunity to meet their full potential academically, socially, emotionally, and creatively. Students will learn to respect themselves and others, as well as the world in which they live. The responsibility for helping students develop these essential skills will be shared by parents, school staff, community members and the students themselves. We use a variety of resources and strategies to work toward this goal.

Citrus Elementary is a neighborhood school located in an older part of Chico. The main school building was built in 1936 making it the oldest operating school in the Chico Unified School District. We serve students in grades K - 6 who come to us with a variety of backgrounds given the ethnically and socio-economically diverse make-up of the neighborhood.

Citrus is a school-wide Title I school. We receive federal categorical funding for Title I, Title II, and Title III, as well as funding to support our breakfast and lunch programs. Additionally, Citrus is able to provide extensive afterschool programs through the 21st Century/ASES Grant where students receive academic assistance and enrichment for three hours each afternoon, as well as extra support for an hour each morning.

Opportunities for Parental Involvement (School Year 2009-10)

This section provides information about opportunities for parents to become involved with school activities.

Citrus Elementary welcomes and encourages parental involvement. We invite parents to become active members of our Parent Teacher Association. We have parents involved as members of our School Site Council and English Language Advisory Committee. We also encourage parents to be involved in our classrooms and to participate in their children's educational program throughout the year. They are invited to attend monthly awards assemblies, Muffins with Moms/Donuts with Dads, quarterly barbecues and a variety of other school-related activities and family-friendly events.

Citrus also offers different learning opportunities for parents throughout the year. These classes include Parenting Partners, Love and Logic, English as a Second Language, as well as classes in nutrition and budgeting. Our classes and parent activities are held in our newly developed Parent Center.

In addition to parent support and involvement, we are also extremely fortunate to be an adopted school of the Bidwell Presbyterian Church whose members provide countless hours of volunteer service to the students and staff at Citrus.

Student Enrollment by Grade Level (School Year 2009-10)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students

III. School Climate

School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

The School Safety Plan is updated annually in accordance with Senate Bill 187. We reviewed and updated our plan in October and followed the template and training provided by CUSD. Our plan includes a description of our site, our school climate, an overview of our school discipline plan, our incident response team and a description of the responsibilities of the response team. Members of the team reviewed the plan, as did the School Site Council.

Staff and students regularly participate in training and drills related to school safety. Citrus also has a crisis response team, emergency phone tree and a specific emergency action plan to cover a variety of situations. We have telephones in every classroom and indoor/outdoor intercom capability. We also have two-way radio communication for each campus supervisor. Citrus provides student supervision before and after school, and during all recess breaks. All visitors must sign-in at the office and wear a badge while on school grounds.

In addition to our School Safety Plan, we have a comprehensive positive behavior support plan and school discipline plan that includes the major components of the Building Effective Schools Together Program. Additionally, we utilize the Second Step curriculum (violence reduction) with our students, the Primary Intervention Program (PIP) as well as work with students from the Chico High Peer Mediation class on bullying and respect. We have a comprehensive counseling staff to provide individual, small group and classroom social and emotional support and education to students, as well as a Targeted Case Manager.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
Suspensions	5.1	7.2	6.2	4.0	6.6	9.9
Expulsions	0.0	0.2	0.0	0.7	0.7	0.7

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2010-11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Citrus School, the oldest school plant in operation in the Chico Unified School District, was built in 1936. It is one of 12 elementary schools in the District. Our facility houses 16 classes. Citrus also has a library media center, multi-purpose room, intervention rooms, counseling rooms, a staff work room, a staff lunch room and a Parent Center. It was renovated during the 1989 school year with central air conditioning and heating added. The playground has been painted to include a holistic playground which provides learning activities for students to utilize. The entire exterior of the facility was painted this past summer through the volunteer efforts of LOVE Chico, in collaboration with CUSD.

Citrus provides before-school playground supervision for all students from 7:55-8:15 a.m. Our breakfast program operates from 7:15-8:00 a.m. each morning and a 21st Century Community Learning Center program operates from 7:00-8:15 a.m. Citrus also offers an after-school program through the 21st Century Grant from 2:20-6:00 p.m. on a daily basis. During 'after school' times academic support and enrichment opportunities in the 21st Century Learning Center Program are provided. Citrus works with approximately 200 students and parents on a monthly basis during these extended school day times.

All visitors are required to register at the school office and obtain a visitor badge. All staff members monitor the campus and ensure that visitors register in the office. Although Citrus is the oldest campus in CUSD, it is very well maintained both structurally and cosmetically. Our classrooms, restrooms and offices are cleaned on a daily basis. Our CUSD maintenance department repairs our facility as needed and provides weekly landscape support. Additionally, volunteers from Bidwell Presbyterian support the appearance of the campus through projects around the school campus.

School Facility Good Repair Status (School Year 2010-11)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2007-08	2008-09	2009-10	2009-10

Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence	0	0	0	---

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). *Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.*

Indicator	2008-09	2009-10	2010-11
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2009-10)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects Taught by	
	NCLB Compliant Teachers	Non-NCLB Compliant Teachers
This School	100%	0%
All Schools in District	96.35%	3.65%
High-Poverty Schools in District	96.80%	3.20%
Low-Poverty Schools in District	95.42%	4.58%

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2009-10)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor		
Counselor (Social/Behavioral or Career Development)		---
Library Media Teacher (Librarian)		---
Library Media Services Staff (paraprofessional)		---
Psychologist	0.26	---
Social Worker		---
Nurse	0.2	---
Speech/Language/Hearing Specialist	0.4	---
Resource Specialist (non-teaching)		---
Other		---

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2010-11)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Updated and readily available resources are important if students are to perform at their best in class. The State of California adopts textbooks that meet quality standards established by the State Board of Education. The Chico Unified School District selects textbooks and other instructional materials from these state adoptions. All of the textbooks currently in use meet these standards. They were selected to match the needs of Chico students by a Task Force comprised of teachers and administrators and approved by the Board of Education.

The CUSD convenes curricular task forces to review textbooks in core subject areas on the Kindergarten through 8th grade state adopted list concurrent with the adoption cycle. Currently adopted are:

2006 History
K-6 Harcourt - Reflections

2007 Science
K-5 Macmillan – California Science
6-8 Prentice Hall – Focus on California Science

2009 Math
K-6 McGraw Hill/Wright Group – Everyday Math

2002 Reading/English
K-6 Houghton Mifflin – A Legacy of Literature

These standards aligned textbooks are in the hands of all students within two years of adoption. Additionally, English Language Learners are provided English Language Development using Avenues for grades K-5 and High Point in grade 6.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials	Most Recent SBE or Local Governing Agency Approved Textbooks and Instructional Materials
Reading/Language Arts	Meets State Guidelines	0	Yes
Mathematics	Meets State Guidelines	0	Yes
Science	Meets State Guidelines	0	Yes
History-Social Science	Meets State Guidelines	0	Yes

Health	Meets State Guidelines	0	Yes
Visual and Performing Arts	Meets State Guidelines	0	Yes

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2008-09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$8,220.97	\$2,936.26	\$5,284.71	\$64,582.98
District	---	---	\$4,990.77	63,194.00
Percent Difference: School Site and District	---	---	-1%	0%
State	---	---	5,681.00	66,478.00
Percent Difference: School Site and State	---	---	-11%	-6%

Types of Services Funded (Fiscal Year 2009-10)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

Citrus School receives federal funding and participates in a 'schoolwide' Title 1 program. Supplemental instructional materials and resources are provided for students needing extra help and support. Materials are purchased and personnel hired to support this need. The use of these funds is guided by the School Site Council, with input from the staff about student and school needs based upon analysis of our data.

Before and after school reading and math instruction is made available to students requiring extra assistance. The 21st Century Learning Community grant also provides before and after school programs for approximately 150 students. Instructional aides, parent aides, and Resource teachers are all part of an intense instructional program to assist students' learning. Library clerks, guidance aides, a Targeted Case Manager and language liaison aides are also a part of this interdisciplinary team.

Teacher and Administrative Salaries (Fiscal Year 2008-09)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	38,541.00	41,155.00
Mid-Range Teacher Salary	53,749.00	65,379.00
Highest Teacher Salary	84,597.00	85,049.00
Average Principal Salary (Elementary)	94,796.00	106,453.00
Average Principal Salary (Middle)	99,845.00	111,487.00
Average Principal Salary (High)	102,737.00	121,513.00
Superintendent Salary	166,688.00	194,802.00
Percent of Budget for Teacher Salaries	0.00	0.00
Percent of Budget for Administrative Salaries	0.00	0.00

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA for grades three through eight and science in grades five and eight and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	16.2%	23.5%	27.9%

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	2	3	2
Similar Schools	2	5	2

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. *Note: "N/A" means that the student group is not numerically significant.*

Group	Actual API Change		
	2007-08	2008-09	2009-10
All Students at the School	44	-4	-4

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2009-10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate: English-Language Arts	Yes	No
Participation Rate: Mathematics	Yes	Yes
Percent Proficient: English-Language Arts	No	No
Percent Proficient: Mathematics	No	No
API	Yes	Yes
Graduation Rate	N/A	Pending

Federal Intervention Program (School Year 2010-11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2003-2004	2004-2005
Year in Program Improvement	Year 5	Year 3
Number of Schools Currently in Program Improvement	---	9

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Staff members have the opportunity to participate in the District Advisory Committee, Assessment Sub-committees, Task Forces and the Instructional Leadership Team. On the site, grade level teaching teams meet twice monthly as a Professional Learning Community (P.L.C.) to discuss student learning and determine the best instructional strategies and materials to use for their students. Through the analysis of data and staff discussion, we are focusing on the areas for staff development: Formative Assessment (Assessment for Learning), Building Effective Schools Together, Aeries Implementation, and English Language Development Techniques (Kevin Clark). Teachers have had the opportunity to participate in SB472 math training with our new mathematics instructional materials, attend our district-wide staff development day and follow-up grade level meetings, and receive on-going professional development and support in the areas of mathematics and English Language Learners from our Support Teachers. Additionally, staff has access to the district's coordinator for Edusoft and can receive support and training as requested. The Instructional Leadership Team is also participating in additional training in the implementation of effective professional learning communities.
