A MESSAGE FROM OUR PRINCIPAL

If you drive your child to school or pick them up after school, I'm sure you have noticed the congested traffic conditions. Because student safety is always our first priority, we are asking everyone to please use the loading zones (white curbs on the school side of West 4th Avenue and Citrus Avenue). Never park across the street and allow your child to cross without the cross walk!! When driving, please approach the school so that you are able to pull up to the curb, allowing your child to get out and walk immediately on school property. Please do not allow your child to walk across the street without the protection of the crosswalk and Joyce, our crossing guard. Let's all work together to protect our children and teach them about being safe! Thank you for your cooperation!

ABSENCE REMINDER

It is very important that a parent or guardian notifies the office whenever a child is absent. When there is no verification within 3 school days, the absence is considered unexcused. If a student accrues 3 or more unexcused absences, the student is considered to be truant (Ed Code 48260). Please phone the office at (891-3107 x131) any time to report your child's absence. When leaving a message, please state your child's name, your relationship to student, date of absence and reason. Thank you for your help in clearing all student absences! Keep in mind that after 10 excused absences are recorded, a doctor's note is REQUIRED to excuse the absence.
