COMPUTERS FOR CLASSROOMS

For some, a home computer is a luxury they cannot afford. Computers for Classrooms may be able to help! CFC provides guaranteed working computers for families and those who cannot afford to buy new ones. To determine qualified applicants, they ask clients to sign a Certification Letter. The buyer certifies that they qualify for at least one of the programs listed and the computer is to be for personal use and not resold. For a more information about this program, visit www.computersforclassrooms.org.

AFFORDABLE INTERNET

Did you know Comcast provides affordable Internet to qualifying families? If you/your family qualifies, Comcast will install, provide in-home WIFI and a no-term contract for \$9.95 per month. To see if you are eligible, call 1-855-846-8376 or go online to visit www.apply.internetessentials.com.

EVERY MINUTE COUNTS

Studies show if your child misses 1 full day of school it sets the child back 2 full days of learning. Keep this in mind if your child's symptoms are mild and they can attend school. Also, if non-contagious symptoms clear in the morning, bring the child to school because every minute counts!

**Reminder: Citrus is a latex free school.
 Please keep all those new toys at home.**
