School Matters!

Attend Today, Achieve Tomorrow

Have you verified ALL of your child's absences with the Attendance Clerk? If not, those absences are considered unexcused. Whether the third unexcused absence happens in the first week of school or towards the end of the school year, it triggers the truancy process: Truancy letters to Principal conference to SARB hearing. The attendance line is available 24/7. Please call 891-3107 x131 and leave a detailed message including the student's name, the date and reason for the absence. If you want information regarding your child's unverified absences, please call extension 131 or stop in the office.

Give Kids a SMILE

Thousands of dentists across the country will take time from their practices to help underserved children who are not getting the oral health care they need.

Give Kids A Smile, is an annual one-day volunteer initiative to provide free educational, preventive and restorative services to children from low-income families.

To focus attention on the epidemic of untreated oral diseases among disadvantaged children and deliver the message that dentists alone cannot solve this problem without a real commitment from government and society. To provide an effective platform from which dental societies can advocate commonsense, market-based solutions to local access problems
