Our Lost & Found is overflowing, once again. Please check it daily for your child's missing clothing, and other items! Make sure to put names on all of their belongings so when they are found, we can return them to the owner. Thank You!

School success starts with attendance

In an academic grading system a 90% would be an A- and seem very good but if

a child has a 90% attendance rate it means they miss one half day every single week of school! An 80% rate means the child misses 1 full day of school per week. Studies show even one day absent sets a child back 2 full days of learning. Keep this in mind if your child's symptoms are mild and they can attend school. Thank you.

Computers for Classrooms

For some, a home computer is a luxury they cannot afford. Computers for Classrooms may be able to help! CFC provides guaranteed working computers for families and those who cannot afford to buy new ones. To determine qualified applicants, they ask clients to sign a Certification Letter. The buyer certifies that he qualifies for at least one of the programs listed and the computer is to be for personal use and not resold. For a more information about this program, visit computersforclassroom.org.

Remember: Citrus is a Latex Free School. Please do not bring toys or soft rubber items made of Latex from home.
