If you drive your child to school or pick them up after school, I'm sure you have noticed the congested traffic

conditions. Because student safety is always our first priority, we are asking everyone to **please use the loading zones** (white curbs on the school side of West 4th Ave. and Citrus Ave.). Never park across the street and allow your child to cross without the crosswalk. When driving, please approach the school so that you are able to pull up to the curb, allowing your child to get out and walk immediately on school property. Please do not allow your child to walk across the street without the protection of the crosswalk and Joyce, our crossing guard. Let's all work together to protect our children and teach them about being safe! Thank you for your cooperation!
