Saying goodbye to a dear friend and teacher...

It is with a very heavy heart that we have to share the news of the loss of our Citrus Family member, Jonna Del Fava. Some of you know that Jonna was our first grade teacher, and coached Girls on the Run at Citrus School. Jonna became ill towards the end of the 2015-2016 school year with an aggressive form of cancer. Although the prognosis appeared hopeful she would return to us, her illness took an aggressive turn for the worst and on March 3, 2017 she lost her battle with cancer. This has been a devastating loss for our Citrus Family, and as a school family, we needed to have some time for our own personal feelings of loss before we could face the children in her class, and team members of Girls on the Run. The teachers feel that they are able to discuss this delicate matter with the children, and provide them with the support they may need. Our school counselor and school psychologist will be available to support students and staff through some of their grieving process. Should you feel that your child might need additional support, please contact the office to make arrangements with counseling.

As Jonna was known to say:

All You Need is Love!
