Dear Citrus Families,

Welcome to the new school year! We, the staff of Citrus School, are excited to welcome you back!

We maintain high standards both academically and behaviorally and are dedicated to ensure a successful, enjoyable year for both students and parents. We believe all students have the right to learn in a safe, caring, respectful and nurturing environment. Keys to this environment are open lines of communication and a strong partnership with our students and their families. This handbook is a first step in opening those lines of communication.

We invite and encourage family involvement in our school. Our goals for each child's success are more easily reached when the school is working with our parents to provide the best possible foundation for children. Together we can provide students with the tools which will allow them to accomplish their goals and to become successful citizens in the world. Parents and community members are welcome in our classrooms and on our school site.

This handbook contains a wealth of information about Citrus and the special programs and resources available. In addition, there is information about the policies and procedures to help ensure a positive and safe learning environment for all students. We hope you find the handbook to be a useful tool in keeping the lines of communication open between home and school.

We look forward to working with you throughout your child's educational journey. We know it will be a great year!

Sincerely,

Rachel A. Jadeo

Principal

SCHOOL ATTENDANCE PROCEDURES

Pursuant to the California Education Code and the Chico Unified School District Policies and Procedures, student attendance procedures are:

STUDENT TARDIES

A student is tardy when he/she arrives in the classroom after the tardy bell rings but before the first thirty minutes of the class has been completed. A student is habitually tardy to a class when he/she receives three (3) or more unexcused tardies per trimester.

School personnel will consider the circumstances and reasons for each student tardy and will determine whether the tardy is excused or unexcused. Excused tardiness is understandable. The student will be expected to make up work missed without penalty. Unexcused tardiness is inappropriate and may result in disciplinary consequences.

STUDENT ABSENCES

School personnel will consider the circumstances and reasons for student absence and determine whether the absence is excused or unexcused. Given parent authorization, school personnel will excuse a student absence from school for the following reasons:

Illness

To receive medical, dental, optometric or chiropractic services

Exclusion from school for health and safety (not more than 5 days)

Exclusion from school for head lice/nits (two days)

Attendance at funeral services for a member of immediate family

Observance of a religious holiday/ceremony

Quarantine under the direction of a county or city health officer

TRUANCY

A student who is absent or tardy from school without a valid excuse in excess of thirty (30) minutes or more per day for four different days during the school year will be declared truant, and the parents will be notified of their obligation to resolve the truancy problem.

After 3 unexcused absences, a letter of truancy notification will be sent home. After 4 unexcused absences, a second truancy notice will be sent home and parents will be invited to attend a conference to discuss resolution of the truancy problem. A student with more than 5 unexcused absences will be declared a habitual truant and another parent conference will be scheduled. If suggested alternatives to reach resolution of the truancy problem are not followed through responsibly and successfully, the problem will be reviewed and consideration will be given to pursue a course of legal action.

We hope that these attendance procedures will help both the school and parents to work together in a cooperative manner towards our common goal of increasing each child's success in school. As parents, you have a great deal to do with the establishment of regular and punctual student attendance habits. Your cooperation and support of our attendance procedures will be greatly appreciated.

STUDENT HEALTH

EMERGENCIES

First aid, defined as the immediate, temporary care given in case of accident or sudden illness, will be given when necessary. First aid will be rendered by the school nurse, health aide, or by a staff member. In case of serious accident, every attempt will be made to contact the parent/guardian before the child is taken to the doctor. Please inform the school of changes in telephone number/address or work locations and provide the name and phone number of an emergency contact.

SCHOOL AUTHORITY TO EXCLUDE CHILDREN FROM SCHOOL

The California Education Code (CED 48211) authorizes the school to exclude students who exhibit evidence of contagious or infectious diseases or children showing evidence of improper hygiene.

IMMUNIZATIONS

To comply with the California Immunization Law, the parents/guardians must make sure each student has completed the required diphtheria, tetanus, pertussis (DPT), polio, measles, mumps, and rubella (MMR), and Hepatitis B series immunizations before enrolling/starting school. If the immunization is contrary to a result of medical problems, a form must be signed to this effect by the parent/guardian and filed in the school office.

CONTROL OF DISEASES & THE COMMON COLD

Check your child daily for signs of illness (cough, sore throat, fever, rashes, etc.) Children with colds should remain at home until most of the sneezing/coughing is over. Please send tissues with child when he/she returns to class. Parents can help maintain a high standard of health in our school by observing the following:

<u>DISEASE</u>	<u>INCUBATION</u>	<u>EXCLUSION PERIOD</u>
Chicken Pox	2-3 weeks	1 week after eruption first appears
Conjunctivitis	1-3 days	Until pink eye clears and no pus remains
Scarlet Fever	1-3 days	10-21 days from onset or clinical recovery
Strep Throat	4-10 days	Not less than 7 days
Impetigo	4-10 days	24 hours after treatment with Rx medicine
Ringworm	4-10 days	24 hours after treatment with Rx medicine

MEDICATIONS AT SCHOOL NOT PERMITTED

Internal medications, including aspirin, cough drops, vitamins, etc. may NOT be administered to a child by school personnel. Under special circumstances, a parent may complete a Health Service Form 11a which, by written and signed request of a physician, authorizes a student to receive medication at school.

HEAD LICE POLICY

It is necessary that efforts be made to effectively control head lice as soon as it becomes evident that a student may be infested. When a student has been found to have head lice, parents will be immediately contacted and the student excluded from school in order to receive proper treatment. Students will be readmitted to school ONLY after they have been checked by appropriate school staff and found to be free of BOTH head lice AND nits.

It is recommended that parents check children weekly for signs of head lice. When shampooing, observe behind the ears and above the neck for nits or eggs (pearly ovals cemented to hair shaft 1/4" from scalp) or live lice (pin-head size). Routine screening is important, since many students will exhibit no symptoms or itching. If evidence of infestation is found, please notify the school so appropriate action can be taken. Contact friends, sitter, etc. and let them know also. A pamphlet in English and Spanish is available at the school office.

This letter is to inform you that Citrus Elementary is a designated LATEX FREE SCHOOL. For some people, strict avoidance of latex is the only way to prevent a life threatening allergic reaction. Tennis balls
Adhesive tape and bandages
Latex gloves
Medical equipment

Please avoid bringing in any item to school that may contain latex. Mylar balloons are an acceptable alternative to latex balloons. Your cooperation with this issue is greatly appreciated.

Thank You,

Citrus Health Office
